

A tiger with orange and black stripes is lying on a thick, dark tree branch. The tiger is looking directly at the camera with a calm expression. The background is a dense, vibrant green jungle with various types of leaves and ferns. The lighting is soft, creating a serene and natural atmosphere.

*From the Perspective of a New Transfer  
Student

Down these strange new halls I roam,  
In a new place I can call my home.  
Green here green there,  
Adventure is in the air.

Oh, mysterious jungle yield your mighty  
king,  
Whom hides in the shadows ready to spring.  
A mighty beast,  
One of the finest in the East.

A jungle full of pride,  
Jaguars cheering from the side.  
Games packed with support,  
No losses on the court.

Young minds filled with dreams,  
Working together as one team.  
Goals set,  
Memories to never forget.

One could say I am a Sophomore,  
Our aspirations galore.  
Class of 2022,  
There is nothing we can't do.

All gather to cheer,  
As a jungle hits its 75th year.  
Stories to be told,  
A part of me I'll always hold.
