Falls Church  
The home of the Jags  
Some dress professional  
Some dress in rags

Regardless of the income  
We all have a story  
We put our heads together  
And work our way to glory

The sports, the clubs  
The associations  
We all show our pride  
For our “bleed green” nation

Our ratings aren't great  
But I disagree  
They don't account  
Our community

Despite our flaws  
Despite our adversity  
To be a jaguar means  
Embracing diversity!
